## Current Events: News-2-You

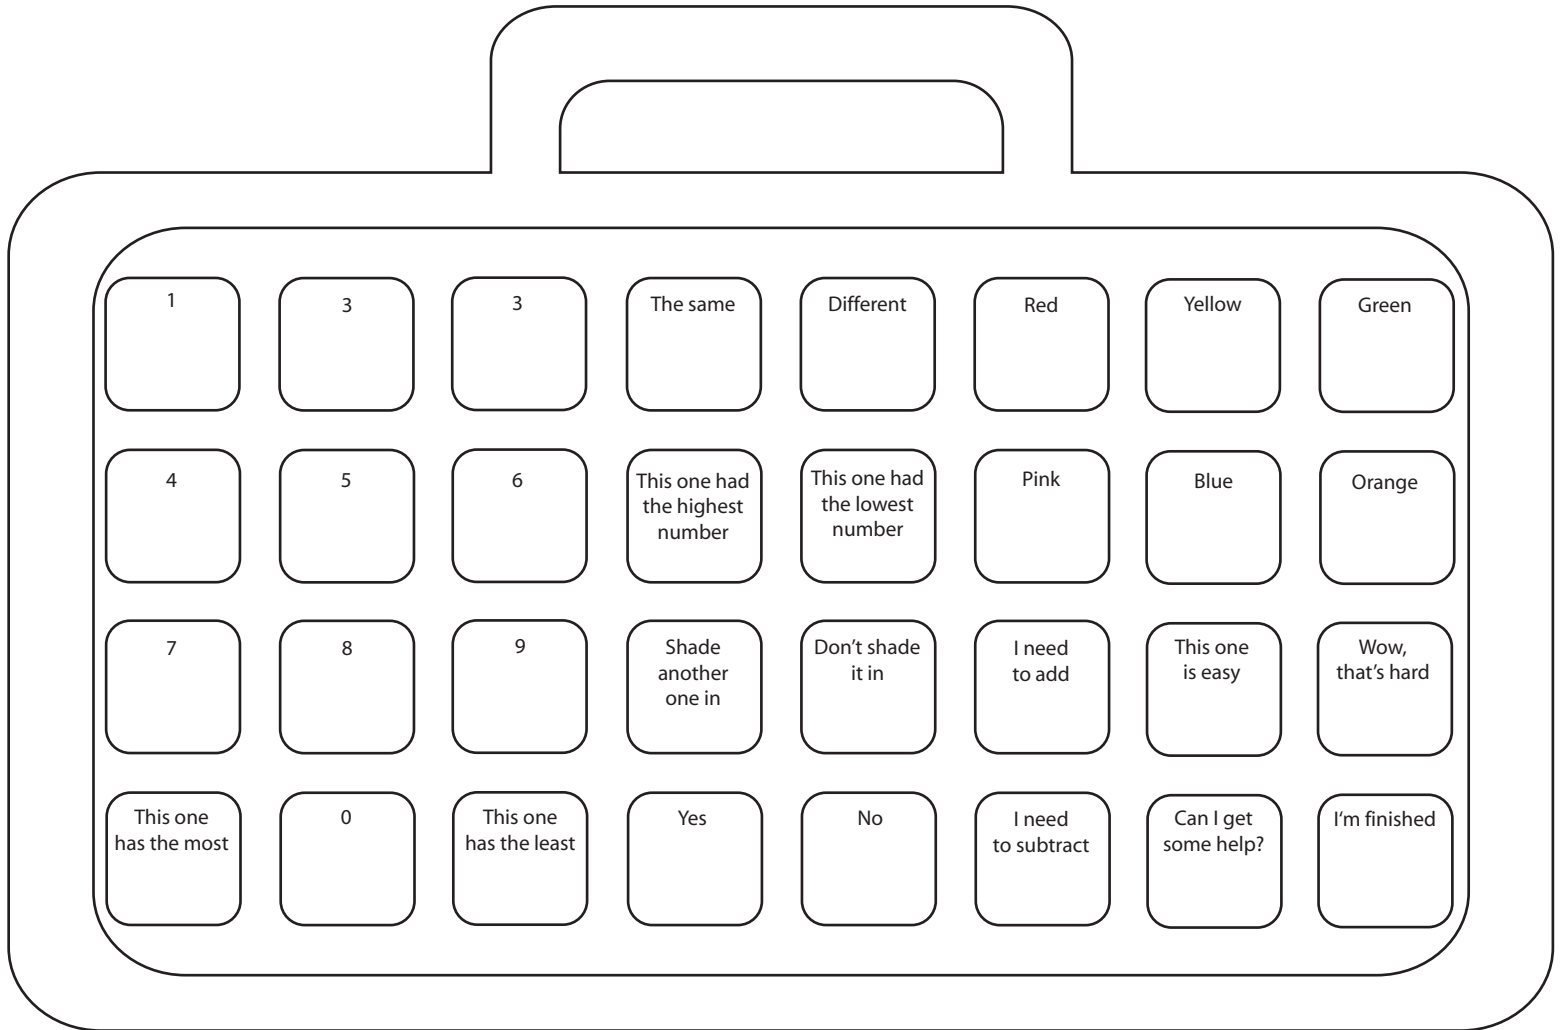

Draw your students into classroom participation and conversation with this activity page set. It contains all the vocabulary needed for participation in the classroom news source, News-2-You. Encompassing the curriculum, this page set allows students to participate in reading, language, math, and many other classroom subjects in the paper's familiar format. Utilizing visual scene layouts students will be able to comment, participate, and explore topics covered in a format full of contextual cues.

This page set has customizable areas to allow changing weekly vocabulary, recipes, and jokes so your student will always be ready to share current news.
